RE: Approval, Revised Characterization Data Summary, IHSS Group 700-3, February 2003

Dear Mr DiSalvo:

The Colorado Department of Public Health and Environment, Hazardous Materials and Waste Management Division (the Division) has considered the manner in which revisions will be made to the subject document. A comment resolution meeting on May 8, 2003, as minutes of the meeting reflect, was successful in resolving some minor issues. Based on this approval, please re-issue the report.

If you have any questions regarding this correspondence, please contact me at (303) 692-3367 or Harlen Ainscough at 303-692-3337.

Sincerely,

Steven H. Gunderson
RFCA Project Coordinator
